Subscription Form

The Theatre List is a completely unique publication containing the latest theatre news, press night details and theatre manager, press and PR contacts for every show in London's Theatreland. As soon as an announcement is made that a new show is coming to the West End, details of this are included in **The Theatre List** so you could know over six months in advance what is coming to the London stage.

Published twice a month, **The Theatre List** is of particular value to national and regional newspapers, magazines, broadcasters and group organisers, as well as committed theatregoing members of the public. Available by subscription, this is a completely unique publication and you can't get the same information anywhere else.

The Theatre List is excellent value at only £45 for a UK subscription, £55 for Europe and £75 for the rest of the world.
